

**Student/Parent Handbook  
2017-2018**

The pastor, principal, teachers and staff at Our Lady of Lourdes Catholic School strive to promote and maintain a cooperative partnership with parents in the spiritual, academic, physical, and social development of their children. We realize parents are the primary educators of their children, thus, the administration, teachers and staff support them in our teaching, our policies, and our witness, as we carry out our mission.

Please read the information contained in the Student/Parent Handbook **with your child/ren**. It is a contract between parents and the school, therefore, it is important that parents and students fully understand the guidelines and policies of Our Lady of Lourdes Catholic School. We ask that parents sign this signature page, indicating that they and their child/ren understand and will comply with all policies contained in this Handbook. Please return this signature page to the school office by August 18th. It will be kept on file as documentation that our policies were presented and understood by all families. Should there be any need for clarification of these policies and procedures, parents are asked to contact the school.
