

Volunteer Hub

Volunteer Hub online makes signing up for required hours easily accessible, allowing families to log-on and manage volunteer hours anytime, anywhere. If you have not already done so, please confirm your registration at www.myoll.volunteerhub.com.

If you are a new user, account access is usually obtained by entering the first initial and last name of the student/s' mother as the username (only one registration allowed per family please). You may then navigate the web portal, customize your account and choose from available volunteer shifts.

If more than one person per family wants to work the same shift, simply change the number in the "slots used" box. If a substitute is working a shift for a family, the family would sign up as usual and *then the substitute would sign in at the event next to that family's name as substitute*. Middle school students will still log their service hours separately. ***Students do not use volunteer hub.***

PLEASE NOTE: Fall Festival volunteer opportunities will be offered ONLY through volunteer coordinator, Heather Turscanyi hlbturk@hotmail.com. They will fill up fast, so don't delay. *It's first come; first serve for preference and sign-up.*

If you require assistance registering and/or navigating the volunteer hub, please contact Mrs. Shannon Arnao (727) 733-3776; frontdesk@myoll.com.

For more information about opportunities, please feel free to contact Home and School Association volunteer coordinator, Laura Dennis gabrooklin@aol.com for more detailed descriptions and information.
